## L.O.S.T.

A Large Circular Breast Pin, between Mr. E. C. Brown's residence and Stanley's along the Street; past Mrs. Richards, or between Stanley's and Hawk's Store, west along High and across to Dr. Wolfe's to Asia and thence to Hawk's store. The finder will be rewarded by leaving the Pin at Hawk's Store.

WATCHES AND JEWELRY.—We call attention to the advertisement of A. H. ROWEN & CO., who have a large assortment of fashionable and valuable imported Jewelry, the whole of which on account of the fall in gold will be disposed of on a novel principle, giving great inducements to buyers, and offering extensive employment to agents, for full particulars see our advertising columns.

BOUNTY MONEY, of the 144th Regiment that was deposited with the Provost Marshal, has not yet come to hand. We know that the military committee here, nor Capt. Cory is not to blame in this matter, the fault is at the front or Columbus, we don't know whence—it is all safe however.

Com. Union Colic, is sold in Bexton, with no business of him out interest. We notice in a fundation our brethren of the bar from Coal coke, Clark, Taylor, Cook, Gothic, Greer, Beale's Jackson Co., Brady, Dr. Halyan, Mungo Co., Hays, Columbus Co., C. B. Bingham.

## MANHOOD:

HOW LOST, HOW RESTED

Just published, a new edition of Dr. CULVERER'S CELEBRATED ESSAY on the radical cure (without medicine) of Stereotomia, or seminal weakness, Involuntary seminal losses, Impotency, Mental and Physical Impairment, Impediments to Marriage, etc., also CONSUMPTION, EPILEPSY and FRA., induced by self-indulgence and sexual extravagance.

Price, in sealed envelope, only six cents.

The celebrated author in this admirable essay clearly demonstrates, from a thirty-year's successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every man and every man in the land. Send under seal, to any address, in a plain sealed envelope, on the receipt of six cents, or two postage stamps by addressing
